Dear Mr. Sovitch:

Thank you for sending me the documents you received from AFIP under the FOIA. I would like to make them available to several persons who have a particular interest in the medical evidence. Please let me know whether you have any objection to this.

So far as I know, the AARC does not have these records. I would like to have clean copies without your notations on them. If you could provide me an un-notated set, I would appreciate it.

Sincerely yours,

Jim Lesar
